Short-Term Rental Host Swipe File: 25 Copy-Paste Scripts

Blunt, ready-to-send messages for Airbnb, Vrbo and direct-booking hosts. Replace the [brackets] and send.

Booking inquiries

1. Reply to a "Is it available?" question
> Hi [Name], thanks for reaching out. Yes, [dates] are open. The base rate is $[X]/night plus $[cleaning] cleaning. Want me to send the booking link?

2. Decline a party request
> Hi [Name], thanks for asking. We don't allow parties or events at the property, and we have a strict limit of [X] guests. If that works for your group, I'm happy to help.

3. Ask for the trip purpose
> Hi [Name], quick question so I can plan: what's the occasion? That helps me tell you about the best nearby spots and any house rules that matter for your stay.

4. Turn down a booking that breaks your rules
> Hi [Name], thanks for your interest. Unfortunately this property can't accommodate [pets / more than X guests / a stay under X nights]. I'd rather be upfront now than have a problem later.

Pre-arrival

5. Check-in details (send 48 hours before)
> Hi [Name], you're all set for [date]. Check-in is from [time]. The door code is [code], active from [time]. Parking is [instructions]. Wifi: [network] / [password].

6. Late check-in notice
> Hi [Name], thanks for letting me know about the late arrival. The code will still work. If anything changes, message me here and I'll respond quickly.

7. Remind about house rules
> Hi [Name], a quick reminder before you arrive: [quiet hours], [no smoking], [max guests X], [trash day]. Thanks for helping keep the place great for everyone.

During the stay

8. Check that everything works
> Hi [Name], just checking in. Is everything working for you? If anything needs attention, tell me and I'll sort it today.

9. Handle a noise complaint from neighbours
> Hi [Name], we've had a complaint about noise from the property. Please keep it down after [time]. Thanks for understanding.

10. Wi-Fi not working
> Hi [Name], sorry about that. Try restarting the router (unplug 30 seconds). If it's still down, here's the backup: [hotspot / alternate instructions]. I'm also contacting my provider now.

11. Guest locked out
> Hi [Name], sorry for the trouble. The code is [code]. If it still doesn't open, reply with a photo of the lock and I'll reset it immediately.

Problems and damage

12. Ask for a damage claim explanation
> Hi [Name], we found [damage] after your stay. Photos are attached, taken on [date]. The repair cost is $[X]. Please reply by [date] so we can settle this through the platform.

13. Refuse an unfair refund demand
> Hi [Name], I understand you're unhappy. The stay matched the listing, and the check-in went smoothly. I'm not able to refund [amount], but I'm happy to listen to specifics about what went

wrong.

14. Early check-out request
> Hi [Name], I can't offer a partial refund for an early departure under our policy. If you leave early, the remaining nights are still charged. Let me know if you need help with anything before you go.

Checkout and reviews

15. Checkout instructions
> Hi [Name], checkout is by [time]. Please: start the dishwasher, take out the trash to [location], lock the door, and leave keys in [place]. Thanks for staying with us.

16. Ask for a review (send after checkout)
> Hi [Name], thanks for staying at [property]. If you enjoyed your stay, a short review helps other guests find us. If anything fell short, tell me directly and I'll fix it.

17. Reply to a 5-star review
> Thank you, [Name]. Glad the [specific detail, e.g. beds / location / check-in] worked for you. We'd be happy to host you again.

18. Reply to a negative review without arguing
> Thanks for the feedback, [Name]. I'm sorry [specific issue] didn't meet your expectations. We've [specific fix] since your stay. I appreciate you telling us.

Operations and staff

19. Cleaner scheduling message
> Hi [Name], the next checkout is [date] at [time]. Please clean by [time] and send photos of the bathrooms, kitchen and bedrooms when done. Linens are in [location].

20. Request a restock
> Hi [Name], please restock before the next arrival: toilet paper, dish soap, coffee, and two spare bath towels per guest. Let me know if anything is short.

21. Maintenance request to a handyman
> Hi [Name], [issue] at [property], first noticed [date]. Can you visit by [date]? Access is via [method]. Please quote before starting any work over $[X].

Pricing and upsells

22. Offer a late checkout for a fee
> Hi [Name], late checkout until [time] is available for $[X] if the room is free. Want me to add it?

23. Offer an early check-in
> Hi [Name], early check-in from [time] is possible for $[X] if the previous guest leaves on schedule. Should I request it?

24. Last-minute discount to fill a gap
> Hi [Name], we have a gap on [dates] at [discount]% off the nightly rate. Book within [X] hours to lock it in.

25. Long-stay request
> Hi [Name], for stays of 28 nights or more we offer [X]% off the nightly rate and a monthly cleaning schedule. Want the full quote?

Tip: Keep one master copy of each script and fill brackets per property. Test one or two on your next booking before rolling them out.
